The Colleyville Heritage Panther Choir Program seeks to provide a rich music education for students with an emphasis on building strong character through music participation. The CHHS Choral program has established a long tradition of excellence. Students in the Panther Choir maintain active performance schedules both as ensemble members and as soloists performing in our community, across the state, nation, and on international performance tours. The Panther Choirs consistently earn sweepstakes awards at UIL Concert & Sight-Reading Competition and have received accolades at festival performances throughout the United States. The Panther Chorale is honored to be an Invited Performing Choir for the Texas Music Educator's Association Convention in February 2018 and the Southwest Division of the American Choral Director's Association in March 2018. Individually students regularly place in the TMEA Region Choir, National and Regional ACDA Honor Choirs, the Texas All-State Choir, and consistently receive superior ratings at Solo & Ensemble Contest.
