

PARTICIPATION IN A SCHOOL-SPONSORED SECONDARY SCHOOL TRIP  
CONSENT & RELEASE FORM

Recognizing that it is an educational benefit for students to participate in school sponsored athletic, fine arts, curricular and co-curricular trips, and in school-sponsored field trips that are not a requirement of the curriculum, parents/guardians are required to provide a signed consent and release for their student to attend these trips.

I, \_\_\_\_\_ (parent/guardian) am the parent or legal guardian of \_\_\_\_\_ (student). I hereby give my consent for \_\_\_\_\_ (student) to travel with and participate in \_\_\_\_\_ (name or description of the trips).

Student Injury

I understand that while student safety is a high priority for the District, under state law, the District is not responsible for medical costs associated with a student's injury.

Transportation

GCISD Board Policy FMG(LOCAL) states that students who participate in certain activities shall be required to ride in District transportation when it is provided by the District. Exceptions may be made if the student's parent/guardian presents a written request to the principal three days before the scheduled trip, requesting the student be allowed to ride with the parent, with another person designated by the parent, or the student be allowed to drive him or herself to the event. **The District shall not be liable for any injuries that occur to students riding in vehicles that the District does not operate.**

Consent & Release

I, and on behalf of \_\_\_\_\_ (student), my personal representatives, successors, and assigns, hereby release and waive all claims for medical expenses, loss of services, or other claims, and I agree to indemnify and hold harmless the District its Trustees, employees, and agents (except charter bus services) from all claims made against it or them on behalf of my child. I also agree to indemnify and hold harmless the District, its Trustees, employees, and agents from all claims made by third parties against it or them, which result from my child's actions on the trip.

**I understand that the District, its Trustees, employees, and agents are not waiving any sovereign or governmental immunity, which it or they have under Texas law.**

I have read and understand this release and sign it voluntarily and with full knowledge of its significance. This release applies to the trip identified above. I also understand that if I choose for my child not to participate in this field trip, that an alternate activity will be provided for my child at the campus.
